www.javara.co.id

Javara Culture is the flagship store of Javara, offering the widest selection of premium organic and natural food products from across the Indonesian Archipelago. You will find products from different landscapes, including those originating from rainforests, wetlands (mangrove, peatland), dry lands, highlands and coastal regions. Carrying the concept of "Shop, Eat and Learn", Javara Culture offers a full experience of purchasing Indonesia's best artisan food products, savouring the scrumptious food and beverages served at our pop-up dining using local traceable ingredients and learning about Indonesia's rich food heritage.
